

THD04609EU | SafePORT™ Heavy Duty Protection Case for iPad® mini - Black/Yellow

SafePORT™ Heavy Duty Protection Case for iPad® mini provides 3 layers of military standard protection. A shock absorbing silicone layer combines with an impact resistant polycarbonate shell and a built-in screen protector to provide the ultimate in protection for your iPad® mini. In addition, silicone plugs keep out dust and dirt from all ports. Specifically designed for the harshest environments, this case is designed to absorb shock and other potential damage but is still lightweight, slim and easy to carry.

Impact resistant exterior – Dual-textured polycarbonate hard shell

All-round protection – Case features shock absorbing silicone lining with double padded corners

Built-in screen protector for complete all round protection

Silicone plugs to keep out dust and dirt for maximum device performance
